

Amendments to the Specification:

Please insert the following text in the **Brief description of the drawings** section on page 5 of the application following line 5:

Figure 9 shows a cross sectional view of an annular dome switch according to an exemplary embodiment of the invention

Please insert the following text in the **Detailed description of preferred embodiments of the present invention** section on page 8 of the application following line 15:

Figure 9 shows a cross sectional view of the annular dome switch 900. The annular dome switch 900 extends along an annular shaped path 902. The annular dome switch 900 has an upper dome sheet 908 which extends from an underlying substrate 906. The underlying substrate 906 and the upper dome sheet 908 have conductive pads 904 arranged to be brought into contact and complete an electrical circuit.
